Gate 122

AFT PBB
(AFT-WB) wide-body stow box

TBIT

1- FWD PBB is for wide-body L-1 door or all narrow-body aircraft. Only PBB with stairs to ramp, ground power and air to aircraft.

2-AFT PBB is for wide-body L-2 door only. For narrow-body use this PBB **must** be relocated to the white circle for storage to avoid aircraft damage.
