

## 3n InstaCom Training Schedule: February 2009

**Administrator Training (1 hour)** – Covers a wide range of topics including managing delivery methods; creating custom greetings; delegating authority; editing your 3n profile; adding, managing, and deleting members, groups, filters and scenarios.

**User Training (1.5 hours)** – Covers topics such as understanding and sending various types of broadcasts (send, polling, conference, call in, and quota notifications); creating scheduled, unscheduled, and prerecorded messages; viewing and interpreting broadcast results; and creating ad hoc reports (member, group, and broadcast).

**Member Upload Training (1 hour)** – Covers in details how to add, update, and delete members through an upload file and how to avoid common mistakes that can cause errors.

**Geo-Notification Training (1.5 hours)** – Covers how to use the geo notification tool, including best practices.

**3n InstaCom for the Healthcare Industry (1 hour)** – Covers best practices for using the 3n InstaCom tool as a means of notification in the healthcare industry. **NOTE: Basic familiarity with 3n InstaCom recommended.**
